Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Your cover letter indicates that your Committee's name is "AMERICANS FOR CHANGE." However, Line 1 of your Statement of Organization indicates that your Committee's name is "LLOYD LAWRENCE." Please clarify this apparent discrepancy.
2. Your committee failed to designate a campaign depository on Line 9. Please be advised that each registered political committee must designate a campaign depository or depositories. The committee must maintain at least one checking account or transaction account at one of the depositories. Please amend your Statement of Organization (FEC Form 1) to disclose the committee's depository. (11 CFR § 102.2(a)(1)(vi) and 11 CFR §103.2)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
